

Our children give us courage
to be silly, to be foolish, even to be our authentic selves.

october 2009

A calendar page for October 2009. The calendar is a grid with days of the month. The top row shows the days of the week: Sun, Mon, Tue, Wed, Thu, Fri, Sat. The first two columns are for the weeks starting on Sunday and Monday. The rest of the grid contains dates from 3 to 31. There are some small text entries in some of the date boxes, but they are mostly illegible. The calendar is presented in a clean, minimalist style with a white background and black text.
